

## Apprentice of the Year 2014

APD Ltd would like to send a big congratulations to Brady Little who has won stage 2 apprentice of the year 2014 at Dumfries and Galloway college. This is the second year in a row Brady has won Apprentice of the Year.

We are very pleased that all Brady's hard work and effort is being rewarded. It is great news for the company too as this is the third year in a row we have had an apprentice win the title.

The next stage will take place in June. We have all our toes and fingers crossed. Good luck Brady!
